

Phenomenological Approaches to Popular Culture (Paperback)

Filesize: 4.81 MB

Reviews

It is in a single of the best book. This is for those who statte there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Dr. Barney Robel Jr.)

University of Wisconsin Press, United States, 2003. Paperback. Condition: New. New. Language: English. Brand new Book. Within popular culture studies, one finds discussions about quantitative sociology, Marxism, psychoanalysis, myth criticism, feminism, and semiotics, but hardly a word on the usefulness of phenomenology, the branch of philosophy concerned with human experience. In spite of this omission, there is a close relationship between the aims of phenomenology and the aims of popular culture studies, for both movements have attempted to redirect academic study toward everyday lived experience. The fifteen essays in this volume demonstrate the way in which phenomenological approaches can illuminate popular culture studies, and in so doing they take on the entire range of popular culture.
